SESSION 5 | MENTOR GUIDE

SESSION 5 | MENTOR GUIDE

OVERVIEW

Ten billion years from now, every one of us will exist. And the quality of our eternity will be tethered to how we answered a question: who is Jesus? It's the most important question any of us will ever face. Indeed, we can only begin to truly understand ourselves, each other, and this whirling marble we live on once we know who he is.

Who Is Jesus?, is the most important question we'll ever ask. That may sound ridiculous to seekers, skeptics, and maybe even some Christians. Once we begin to understand that Jesus is in fact God, and that he is in a unique and exclusive relationship with God the Father, you also begin to understand that if you want to know the God who created you, then you need to know Jesus. There's just no other way.

If Jesus was just another guy, then knowing him makes no difference. But if Jesus is the Son of God and the only Savior of the world, then knowing him makes all the difference.

Too often we've mistaken Jesus for just another man. Or just another good teacher. Or just another prophet. But none of those descriptions is enough.

Jesus made some radical claims, and he's the most talked about person in all of history. Who did he claim to be? And is that who he really is?

AGENDA

- Close in prayer

MONTHLY QUESTION 45 MINUTES

MONTHLY ASSIGNMENTS 45 MINUTES

- Love Note
"This month, we were to write our wives a note and leave it somewhere where she would discover it when we weren't around. Who would like to be first to share what happened?"

Let each guy shared what he did and how his wife reacted. Help them see the value of giving their wives this kind of encouragement and love. End the discussion with this challenge:

"Ok, let's take out our calendars . . . right now. Take them out."

SESSION 5 | MENTOR GUIDE

Wait for everyone to get their calendars out and then say something like this:

“Now go to the first day of next month and enter ‘Love Note’ on that day. Now make it recurring . . . every month on the first. When that pops up on the first day, move it to a day in that month that makes sense with your schedule. You don’t want your wife to get a Love Note from you on the first day of every month. It’ll feel like an invoice. So, randomize it within the month. And make it something different. Make it a little gift. Print out a picture of you and her together from a past trip she really enjoyed. Write something on the back and leave it for her somewhere. Make it a habit that once a month, you’ll do something like the Love Note to show her you’re thinking of her.”
